Financial Policy

In accordance with the kindness God has shown us in Christ Jesus, we do not charge for Bible teaching in MP3, DVD or written form. This ministry wishes to reflect God's policy of grace and will never request money for that which God has provided. Believers desiring to support the continued dissemination of the Word of God may give whatever they determine in their heart for this purpose (Ephesians 2:7; Isaiah 55:1; 2 Corinthians 8:9; 2 Corinthians 9:7)
